# THE BLUES BLOWTORCH SOCIETY

Established in October of 2000 with 24 members. We now have over two hundred members including over 20 Corporate Sponsors.

The Society produces several annual events, such as our Membership Drive & Fund Raiser in February, The Fall Ball, and the Central Illinois Blues Challenge as well as working with corporate sponsors and other partners to promote local, regional and national blues performers. The Nothin' But the Blues Festival in July is a good example.

The Blues in the Schools program has continued with Blues Hall Of Fame Ambassador of Education Steve "The Harp" Mehlberg's Harmonica Workshop. Bringing the music, culture and history of the blues to school age children and their parents and teachers.

The Blues is alive in Central Illinois!  
Come be a part of it!

**Help us continue to provide the  
programs and events that you want!**

**Please fill out and mail the form on the  
other side of this page, or hand it to a  
Society member.**

Membership dues and member volunteers  
allow us to promote the society through  
our many events throughout the year.
